

Announcement

**We are now accepting applications for the 2020 Dawson Jarock Vasculitis Fellowship in Paediatric Nephrology and Paediatric Rheumatology at the Alberta Children's Hospital
Deadline: February 24, 2020**

We are excited to announce the **2020 Dawson Jarock Vasculitis Fellowship** in Paediatric Nephrology and Rheumatology at the Alberta Children's Hospital, University of Calgary, Alberta, Canada.

The position is made possible by the Dawson Jarock Research Award in Pediatric Nephrology & Rheumatology through the Alberta Children's Hospital Foundation. The Muhlenfeld/Jarock family supports this Award and have supported the annual Calgary Vasculitis Symposium for the past 8 years.

Candidates should have formal training in Rheumatology or Nephrology. Application is open to all nationalities. The fellowship is a one-year clinical research fellowship. The expectation is participation in the care advancement agenda of the interdisciplinary team and in a research project focusing on vasculitis. There is ample opportunity to visit research labs and attend vasculitis clinics in both the adult and pediatric hospitals, including the joint rheumatology/nephrology clinics, the joint neurology/rheumatology clinics and the program can be slightly adjusted according to the interest of the candidate.

Successful completion of the training program will be recognized with a certificate issued by the University of Calgary, Section of Paediatric Nephrology and Rheumatology.

Interested candidates please contact:

Dr. Lorraine Hamiwka (lorraine.hamiwka@ahs.ca)

or Dr. Susa Benseler (susanne.benseler@ahs.ca) directly;

cc'ing Pamela White, Program Administrator (pamela.white@ahs.ca)

Please provide the following information:

- a) A letter of intent and expression of interest
- b) Current CV

Application deadline is February 24, 2020
